

Why You Should Attend

The program will provide you with essential guidance in making ethical decisions while in the practice of engineering. It will also provide you with the opportunity to discuss ethical issues with other individuals in the engineering profession. For continuing education for professional licensure, the course will provide six professional development hours (PDHs).

SPEAKERS:

Professor Harlan Onsrud J.D.

Professor Onsrud is a licensed engineer, attorney and land surveyor who is a professor in the Department of Spatial Information Science and Engineering at the University of Maine. He is also a research scientist with the National Center for Geographic Information and Analysis (NCGIA) in the United States.

Stephen W. Cole P.E.

Stephen Cole is a senior consultant at S.W. Cole Engineering in Bangor. He is a registered professional engineer in Maine and New Hampshire and is a member of the Maine Board of Registration of Professional Engineers. He is also past president of the Maine Chapter of The American Society of Civil Engineers and the Consulting Engineers of Maine.

Overview

The Maine Nonpoint Source Training and Resource Center, in cooperation with the DEP Task Force has put together a one-day course on Ethics for Engineers. The program is designed to explore ethical issues within the practice of engineering. The program will discuss the engineering and related codes of ethics, and present practical approaches for making ethical decisions. It will also provide exercises in evaluating ethical conflicts in engineering environments. Speakers will include Professor Harlan Onsrud of the University of Maine Department of Spatial Information Science and Engineering and Stephen W. Cole P.E. of S.W. Cole Engineering and the Maine Board of Registration for Professional Engineers.

AGENDA

8:00 A.M.	Registration/ Continental Breakfast
8:30 A.M.	Introduction – Stephen W. Cole P.E.
8:45 A.M.	Law vs. Ethics, Theoretical Underpinnings – Professor Harlan Onsrud
10:15 A.M.	BREAK
10:45 A.M.	Review of Codes Practical Approaches for Making Ethical Decisions – Professor Harlan Onsrud
12:15 P.M.	LUNCH
1:15 P.M.	Exercises in Evaluating Ethical Conflicts – Professor Harlan Onsrud
2:45 P.M.	BREAK
3:15 P.M.	Exercises in Evaluating Ethical Conflicts (continued)
4:15 P.M.	Wrap up and Evaluations
4:30 P.M.	ADJOURN

Course Registration Form

Name: _____
Organization: _____
Address: _____
City: _____ State: _____ Zip Code: _____
Telephone #: _____
E-mail address: _____

I would like to attend the course entitled: Ethics for Engineers to be held at:
____ Jeff's Catering, Brewer, November 14, 2007
____ Augusta Civic Center, November 16, 2007
____ Holiday Inn West, Portland, November 19, 2007

The \$95 course registration fee may be paid by credit card or check:

____ Credit card (check one) ____ Visa ____ MC ____ Discover (3 digit code located on back of card (Visa only) _____
Credit Card Number _____
Expiration _____
Name on Card _____
Signature _____ Date _____

____ Enclosed is my check for \$95.00 (please make checks payable to J.E.T.C.C.)

Send this form and the registration fee to:

J.E.T.C.C.
P.O. Box 487
Scarborough, Maine 04070-0487
Tel. 207-253-8020
Fax: 207-771-9028
